## Directors Message from Diane Adams

Well, I hope this finds everyone well. All I can say is take care and keep away from crowds. Swap meet went off OK, not as big as they would have liked. Between the virus and the rain the two days before, that put a lot of people off.

The Mecum Auction also went as planned. Jim Dahlstrom, a VCCA member that lives in Tempe, called to let me know how much he enjoyed working the auction. Jim got to know Fred Johnson , who worked the auction with him. Maybe we will get a new member. Also, thank you to Ed & Linda Behie for working it also. Thanks to Ed for installing the new logo on the banner. Don & I were under strict orders not to go to these events because of the crowds. Hopefully next year will be better and we can go.

Dean will send out an email when things get back to normal and we can get back to having our events again. Take care! Diane

## Mecum Auction 2020

With all the ongoing worldly virus uproar, the Mecum Auction in Glendale turned out to be well attended. Lots of cars went across the block and several of our own CAR members got to experience the auction and worked the VCCA booth, Ed & Linda Behie, Fred Johnson and Jim Dahlstrom passed out VCCA information and answered questions about the club. Mecum Auctions is a good partner for the VCCA as we get a lot of exposure at the auctions around the country. Be sure to plan to sign up next year and take in the auction experience and help promote the VCCA!

## Wings and Wheels Show

Thanks to Don Peterson, a few CAR members were invited to attend an annual Wings and Wheels show in Cave Creek for airplanes and classic and vintage cars. Don Peterson and his son, Donny brought out his 1929 Chevy Roadster pickup and Ed & Linda Behie brought their (non Chevy) Rolls Royce. It turned out to be a nice day with lots of airplanes and cars to look over. ( Ed was even seen hobnobbing with 007 James Bond and Her Majesty the Queen. A good time for all.
