# January CAR Steak Fry and Meeting

CAR had their annual January Directors picnic in the form of a steak fry and meeting on January 5th at the home of Don & Diane Adams. Diane marinated up some great steaks and Dean grilled them to perfection and everyone brought a side dish to share. As always too much great food, but we all managed to survive and spent a lot of time before and afterwards in Don's garage looking over his latest projects and progress. Following, before we waddled home, we had our monthly meeting . A good time had by all!

# Thoughts for Valentines Day.....

Yesterday morning, my wife woke up with a start. When I asked her what the matter was, she said, "I just had a dream you gave me a diamond ring and diamond earrings for Valentine's day. What do you think it means?" I winked and said, "You'll know tonight." In the evening, I came home with a small package and gave it to my wife. She was delighted and opened it excitedly. In it was a book called "The Meaning of Dreams".....

Last Valentine's Day, my fiancee of four years bought me a lottery ticket and I won \$5 million. I wonder what's she doing nowadays?.....

I gave blood today. It may not be the best Valentine's Day present but at least it came from the heart....

If it's not Valentine's Day and you see a man in a flower shop, you can probably start up a conversation by asking, "What did you do?" .....

## CAR News Notes

This missed the press deadline for last months newsletter and wanted all CAR members to know of the \$500 donation we made to the relief fund for VCCA members and families affected by the devastating wildfires in California last year. Our thoughts and prayers are with them as they work on rebuilding their lives and homes.
