## Directors Message from Diane Adams

We had a great turnout for the Sanderson Ford Museum. Even though we did have lots of rain that day it was worth the effort to see the museum. Dean will have pictures in next month's newsletter. So far 5 of us have signed up to work and visit the Mecum Auction. If you want to go give me call. Also we are having a mini swap meet and pancake breakfast at our house on Saturday, March 2nd starting @ 8 AM. This is a Model A event, but Chevy Club members are invited. The Ladies group is going to tour The Flying Pig Sewing Studio next door. Hope you can come. Diane.

## FUN AT BARLEENS DINNER SHOW

The CAR ventured to the far east side of the valley recently (more like half way to Albuquerque !) to be entertained by Barleens Dinner Show in Apache Junction. Several friends from other fellow car clubs joined us , as did our VCCA National Touring Passports & Awards Chairman, Dave Cavagnaro and his lovely wife, Bennie. (they spend some time here in Arizona during the winter to escape the cold in New Jersey and we always invite them to join us in our club activities while here.)

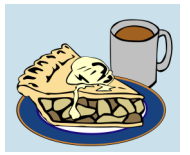

We visited with each other first for a while and then came the food , and wow— was it good and a lot of it! Roast beef, chicken, ribs and all the fixin's and was topped off with a big piece of chocolate cake!

Following this feast was the entertainment and they certainly put on a good show. All the entertainers sang beautifully and all played several instruments - and all different venues of music! It sure had our fingers snappin' and our toes tappin' ! A great afternoon was had by all! Highly recommended to anyone for an entertaining time with great food!

# MOTORING THROUGH TIME

Motoring Through Time Car event was held at the Heritage Square and Festival in downtown Phoenix. It was a great time out. However, the car turn out was on the light side in numbers. Everyone was grateful that the weather was perfect for this year's event. Some of our members took a chance on the possibility of rain and were lucky enough that the weather could not have been any better. These brave souls were Robin Henry with his '27 Chevy Capital, John Silchia '48 Chevy Limo, Ed Behie with his '49 Chevy Skyline Deluxe, Larry Fulsome with his '57 Chevy Belair Sport Coupe, and Jim Mcmillan with his '73 Ford Mustang Convertible. Also, in attendance was Tom Wolcott, who was able to make it down for some good times with old friends and made some new ones. We all enjoyed a common interest of America's finest automobiles of many makes. Whether you like to keep your car 100% original, or add some modifications, we recognize that it's your car. Many older ones were very interesting, and it was great to see them still running and being enjoyed.

## MECUM AUTO AUCTION

The Mecum Auction will be one month from now in Phoenix and we are asking for help with the VCCA New Member sign up booth at the auction. Mecum supports our club with advertising in the G & D and they transport our club sign up materials, banners, give away G & D's and etc to each auction. We just need to show up and staff the booth. We only ask a member to work 2 hours (but more will be great). I have one member already who volunteered to work the booth so if you could poll your members and see if any others are going to the show and would be willing to work. Please get back to me and let me know if you have any takers. I will forward the names to David at Mecum and he will have entry passes waiting for each person at Will Call. The member will get into the grounds and can enjoy the show for no cost other than a couple of hours for the club. Thank you Jim Matus Area 2 Director and Mecum Liaison Call Diane Adams if interested 623-910-0922
