Directors Message from Diane Adams

We had a fun and interesting meeting at Sandy & Paul's new condo. Very nice facility. The stargazing pot luck party became a potluck only due to rain and clouds making visibility not good. We weren't able to attend because Don had carotid artery surgery the day before. Not sure what the event for May will be. Come to the meeting at Robins @ 6:30 PM and give us some ideas. This will be our last meeting until September. Have a great summer. Diane

Star Gazing Party—2019

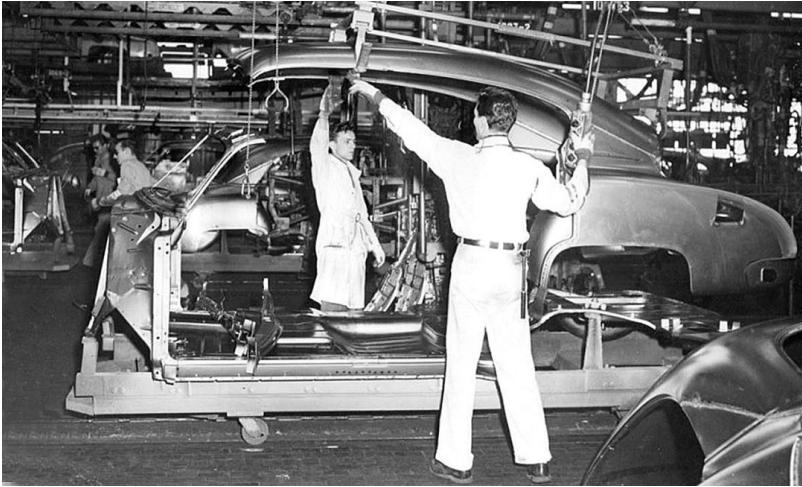

Well, another stars and cars party has come and gone. A good party with rain and good fellowship with good friends and lots of good food. April showers bring May flowers, and all we had star wise were the stars on the cake. Everyone stayed dry inside the garage, but we did have a beautiful rainbow. And there were the rocks from Mars, the moon, & some from just out of this world! Special thanks to Bill Simms for displaying his 1947 Mack fire truck and the his smaller firetrucks. Also, many thanks Edith Carlisle from Glendale Adult Center for helping with the tables and chairs and to everyone who helped with the food.

Hopefully our next star party will have a little dryer weather and clearer skies!
