### November CAR Meeting

No November meeting has been planned at press time. Need some ideas for events or tours. One suggestion was to caravan to Larry Fulsome's place and take food to him and visit. (t/w Larry on this and he suggested waiting a while until he gets back on his feet a little more).

Mel Martin's Museum is on the horizon as is the Star Theater and/or Barleen's dinner theaters? How about any other places you all have been to or want to see? Let us know!

### New "In The Spotlight" Section Each Month

I would like to ask all CAR members to send me pictures and a story on your Vintage Chevrolet or another car from your garage. The other members would like to hear about your car(s) and see what they look like, as we have not been able to get out and see them in person. So send in those pictures and stories so I can get them in the upcoming Fuel Lines.

## Presidents Message

What a great turnout for our Halloween lunch! There were 20+ members enjoying the food and fellowship. We signed up two new members. Some even went on a treasure hunt in Don's parts cottage. Some bought parts and Don even bought a 1922 Model TT Fire Engine from Kevin Johnson. And Kevin even delivered it, so now it is sitting by the shop giving Don something to play with.

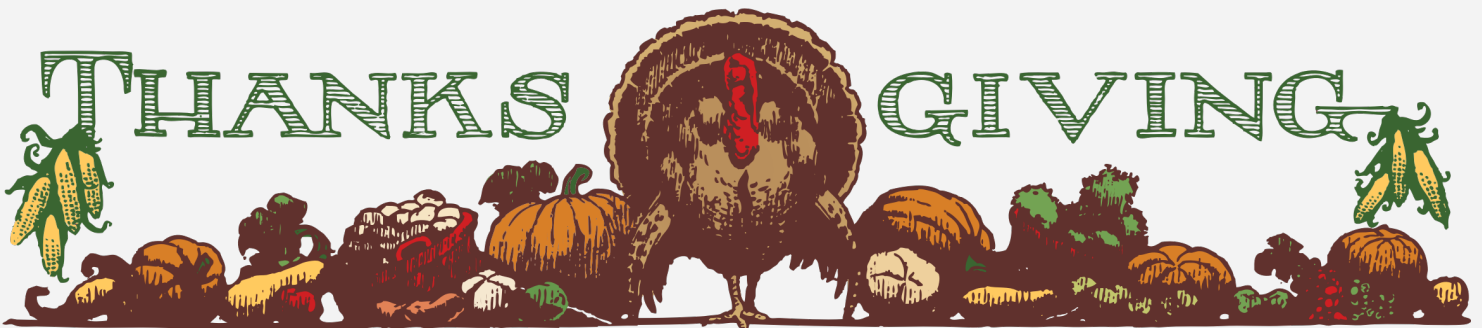

So far no one has come up with a November event, so I guess our next event will be the Christmas party at Dillon's on Dec 5th at 1 PM. Remember to bring a gift for the exchange/steal. Limit \$20. Have a good and safe Thanksgiving!  
Diane
