## Directors Message from Diane Adams

Finally we have relief from the high temps. I emailed applications for our scholarships to Don Davis at GCC and asked him to distribute them to the other instructors at GCC. Hopefully we will get some response.

Sandy and Paul have volunteered to have the October meeting at their condo. Hope we will see you there. The Swap Meet is Oct. 20th. Dean is checking on a dinner theater tour possibly in Nov. We may need to wait 'til after the first of the year. I made reservations for the Christmas Banquet on December 8th at 1 PM at Dillon's on 59th Ave.

If any of you are interested, the Phoenix Model A Club is touring out to Cave Creek to visit the Grace Museum on Thursday October 10th. Let me know & I will give you the details. We toured it in 2016, but some may want to go again. Very interesting museum. Diane.

Several members of the CAR recently attended the 14th Annual Southwest Fall Tour in Cottonwood, AZ. Tom Wolcott & fellow VCCA member Mike Schulze (from California) with Tom's '40 Chevy coupe, Fred & Mickie Johnson with their '28 Touring, John Garden & Robert Krass (new members) in their '52 1 ton Panel & Dean Echols & Larry Fulsome in Dean's Grandads '50 Chevy pickup. The oldest car on the tour was a 1918 490 Touring , with quite variety of years up to a '54 Station Wagon. Participants were from as far away as Minnesota, Wisconsin, Indiana, Hawaii, Texas, California, Oregon, Washington, Utah, Colorado & Nevada. Everyone visited the Gold King Mine and came away amazed at all the cool "stuff"! Spent the better part of one day in Jerome, visited Fort Verde State Park, rode the Verde Canyon Railway & enjoyed the dinner & show at the Blazin' M Ranch. They also visited the Page Springs Fish Hatchery and spent the day in Sedona, first stopping at the Sedona Heritage Museum, where they were welcomed by the Mayor of Sedona before touring the museum. It was then off to shopping! And shop they did.....

The weather cooperated for the most part with only one small wet spot that dried out quickly. All in all, everyone related it was a great tour and they were ready for next year, which looks to be Canon City, CO , same time next year.

(Note of interest: New CAR members John Garden & Robert Krass joined the club and decided they wanted to go on the Southwest Fall Tour, so went out and purchased a 1952 Chevy 1 ton Panel Truck & in the matter of 6-7 weeks , completely went through the truck, updating the drivetrain, and completed body, paint & interior so they could be the support vehicle for the tour! Look for their vehicle at upcoming CAR events.)
