April CAR Tour and Meeting

We will be touring the Janet Cussler Museum on Saturday, April 9th at 10:00 AM. This is a private museum loaded with beautiful cars of different makes and models. The address is 16055 N Dial Blvd (east of Scottsdale Rd & south of Paradise Ln.) Following, we will cruise over to a local restaurant for lunch and a short meeting. You don't want to miss this one!

New "In The Spotlight" Section Each Month

I would like to ask all CAR members to send me pictures and a story on your Vintage Chevrolet or another car from your garage. The other members would like to hear about your car(s) and see what they look like, as we have not been able to get out and see them in person. So send in those pictures and stories so I can get them in the upcoming Fuel Lines.

Presidents Message

Another successful swap meet is in the books. The weather was fantastic, the shoppers and vendors were energetic and talkative. Did I mention how talkative guys can be when cars are the subject? Dean is looking into getting an additional food vendor next time, but the shaved ice was really good. I told Linda Behie I was just so thankful that we didn't have to go home and wash all the cooking pans and clean the grills anymore.

Thank you to those showed up and helped Dean with the setup and the clean up. It was greatly appreciated!

In April, we are touring the Janet Cussler's Museum on April 9th at 10:00 AM. Hope you can make it. This is a private museum and holds a lot of nice cars. We will check and see where we can find a place for lunch afterwards.

Looking for ideas for May. We could tour the new Mel Martin Museum and head over to Top Shelf for some Mexican food afterwards. Then we start our summer hiatus, We will meet back again in September. Let us know if you have any tour/event ideas.
Diane.
