## **May CAR Tour and Meeting**

**We will be touring the Mel Martin Museum on Saturday, May 14th at 10:00 AM. This is his new location at 4320 W Thunderbird Rd. Be sure not to miss this one, as you will see the new home for his cars is much larger and there are some “new “ old cars for us to look at. Afterwards, we will cruise over to the Top Shelf Restaurant for some Mexican food and a short meeting.**

**See you there!**

## **New “In The Spotlight” Section Each Month**

**I would like to ask all CAR members to send me pictures and a story on your Vintage Chevrolet or another car from your garage. The other members would like to hear about your car(s) and see what they look like, as we have not been able to get out and see them in person. So send in those pictures and stories so I can get them in the upcoming Fuel Lines.**

## Presidents Message

I am sorry if you missed the tour to the Janet Cussler museum. It was outstanding! She was a great hostess and very knowledgeable on all the cars and their stories. Also a collection of vintage clothing. We had about 20 participants,

On Saturday, May 14th, we head to Mel Martin's new museum at 4320 W Thunderbird. After the tour, we will head to Top Shelf for lunch and a quick meeting. Remember to send Sandy your dues for 2022. Have a great summer and we will resume in the fall. Diane
