Please RSVP to Diane. See you there!

New "In The Spotlight" Section Each Month

I would like to ask all CAR members to send me pictures and a story on your Vintage Chevrolet or another car from your garage. The other members would like to hear about your car(s) and see what they look like, as we have not been able to get out and see them in person. So send in those pictures and stories so I can get them in the upcoming Fuel Lines.

Presidents Message

Well, our turnout at Gateway Classic Cars was a success. We managed to have 10 plus cars so we will get our \$100. Thank you to those who came out and supported us. We had a nice lunch at Carlos O'Brian's. We are looking for ideas for May, so if you have one, let us know.

Our summer hiatus is coming, so try to stay cool and think of events for the fall. Also need to decide what to do for our Christmas banquet. Diane

CAR Tour to Gateway Classic Cars

On Saturday, April 29th, several CAR members toured out to Gateway Classic Cars to participate in a small car show. If the club brought out 10 cars to display, they would donate \$100 to the club. We did it!! Friends of CAR and a possible new member joined in and made up the 10 + cars. Lots of cool cars were on display for the show and the cars inside were phenomenal! All kinds of cars on consignment (and for all kinds of prices!) Afterwards we toured over to Carlos O'Brian's for some good Mexican food and car talk. A good day had by all!

More points to ponder

- > Just one more thing—if your electric car runs out of fuel on the interstate, do you walk to a charging station to get a bucket of electricity?
- > I once dated a girl with a twin and people always asked how I could tell them apart... It was simple, Alison painted her nails red and Bob had a beard.....
- > I checked Kelly Blue Book today for my cars value, and it asked if the gas tank was full or empty.....
- > Over 5,000 years of eating bread..... and in less than a decade almost everyone is allergic to gluten.....
- > At my age, a trail of clothes leading to the bedroom means I dropped them on the way from the dryer....
- > Today's work from home tip: Blowing on the wine in the mug will help convince your zoom meeting that your tea is hot.....
- > A friend suggested I put horse manure on my strawberries.... I'm never doing that again. I'm going back to whipped cream....
- > My kid: I feel like you're always making up rules and stuff.
Me: Like what ?
My kid: Like if I don't clean my room a portal will open and take me to another dimension.
Me: Well that's what happened to your older brother.
My kid: What older brother?
Me: Exactly.
- > Being a little older, I am fortunate to have someone call and check on me everyday. He is from India and is very concerned about my car warranty...
