### Fall Touring With The CAR

In October, our event will be something a little out of the ordinary. Any CAR member that wants to participate, show up at our Swap Meet and Parts Exchange at Glendale College on Sunday, 10-22. Come to the registration booth and pickup your ticket to go into the kettle for a 9:00 AM drawing for door prizes for CAR members only. Be sure to get your ticket before 9:00 AM!

Also, give Dean a call at 928-710-4325 if any of you can spare some time to help chalk the parking lot on Friday afternoon and or tear down on Sunday.

In November, we will be doing a Mystery Tour - it will be so mysterious that we don't even know all the details yet. But it will be interesting. Watch your future newsletter for further information.

### New "In The Spotlight" Section Each Month

**I would like to ask all CAR members to send me pictures and a story on your Vintage Chevrolet or another car from your garage. The other members would like to hear about your car(s) and see what they look like, as we have not been able to get out and see them in person. So send in those pictures and stories so I can get them in the upcoming Fuel Lines.**

## Presidents Message

What a beautiful day to cruise Lake Pleasant. The weather was fine, the cruise was very interesting, and the 20 members and friends had an enjoyable time. Our lunch at Dillons was delicious and there was lots of conversations at the tables. Our October event will be the swap meet Oct. 22nd. If you are able to help Dean with any of the many chores to marking the parking lot Friday afternoon to pick up trash boxes Sunday afternoon. Give Dean a call if you can help out. Also don't forget to go to the swap meet to find that part you have been looking for.

We are looking for an activity for November. Let me know if you have any ideas. Then in December we have our Christmas luncheon at the Old Spaghetti Factory on the 10th. Diane

## CAR Went Cruisin' On Saturday!

Only this was a different type of 'cruisin'! CAR members got to enjoy the Lake Pleasant Boat Cruise this past Saturday. 20 members and friends of the CAR converged on the Pleasant Harbor Marina at Lake Pleasant for a one and one half hour boat ride around the lake. Some of the group rode up top in the open air seats and some elected to sit in the air conditioned area on the lower deck. The captain gave a very informative dialogue as we cruised along, pointing out several items of interest and history. We even got to see the ever present herd of wild burros that live around the lake. After we were "cruised" out, we retired to Dillon's Restaurant for a delicious dinner and a whole bunch of Chevy talk. A fun day had by all! Also spotted on the cruise were two of our newest member families, Mechelle & Brad Kessler and Gerrit Boglio and his girlfriend, Susan. Welcome!

## **Good Morning Groaners**

- > Why is it unwise to share your secrets with a clock? Well, time will tell...
- > Prison is just one word to you, but for some people, it's a whole sentence..
- > What do you call a pig with laryngitis? Disgruntled....
- > Writing my name in cursive is my signature move....
- > Never buy flowers from a monk...only you can prevent florist friars....
- > I once worked at a cheap pizza shop to get by ...I kneaded the dough...
- > I've started telling everyone about the benefits of eating dried grapes...  
It's all about raisin awareness ...
- > I lost my girlfriend's audiobook...now I will never hear the end of it...

## **Some Thoughts to Ponder**

- > 100 years ago, everyone had horses and only the rich had cars. Today, everyone has cars and only the rich own horses....
- > Why is there a 'D' in fridge, but not in refrigerator?...
- > Common sense is like deodorant. The people who need it the most never use it.
- > It's not my age that bothers me...it's the side effects....
- > I haven't gotten anything done today. I've been in the produce department trying to open this stupid plastic bag...
- > I'm on two diets. I wasn't getting enough food on one...
- > I put my scale in the bathroom corner and that's where the little liar will stay until it apologizes....
- > I'm not saying I'm old and worn out, but make sure I'm nowhere near the curb on trash day...
