Presidents Message

Well it looks like we made it through another “hot” summer. Hope this finds everybody healthy. Dean seems to be recovering from his major medical issue. I hope Rae is doing better with her new knee. We are trying to plan some new events, so if you have any ideas, please let us know. Our Sept event will be Sept 28th. I am arranging a tour of Sahuaro Ranch Park. We are working out the details and will let you know the details later. Also, we need to lock down our December event. Are you in favor of going back to The Old Spaghetti Factory? If so, let me know and I will make the reservation. See you in September! Diane

Every time she holds her remote in the air, I honk my horn....*

A Grand Tour of Grandmas

What do Americans call their grandmothers? Grandma is the most common nickname nationwide. Nana is the next most popular, with a big presence in New England and the Midwest, followed by a three-way tie between Grammy, Granny and Gran. Although formal, Grandmother is popular in Hawaii, Idaho, Vermont and Virginia. It tied with Mamaw and Abuela (Spanish for “grandmother), which tops in Arizona, California, Florida and Texas.

Points to Ponder

- > The longer I live, the more convinced I am that this planet is used by other planets as a lunatic asylum.....
- > Ask your doctor if a drug with 32 pages of side effects is right for you.....
- > I enjoy a glass of wine each night for its health benefits. The other glasses are for my witty comebacks and flawless dance moves.....
- > How did we survive? Our mothers wiped our faces with spit on a hankey, not an antibacterial wipe.....
- > Most people don't think I am as old as I am until they hear me stand up....
- > The more you weigh, the harder you are to kidnap. Stay safe. Eat cake.....
- > Insanity does not run in my family. It strolls through, taking its time getting to know everyone personally....
- > To err is human. To blame it on someone else shows management potential....
- > I have neither the time nor the crayons to explain this to you.....
- > I love bacon, sometimes I eat it twice a day. It helps take my mind off the terrible chest pains I keep getting....
- > Lazy is such an ugly word. I prefer the term selective participation.....
- > Unfortunately, there is no lifeguard in the gene pool....
