Presidents Message

I enjoyed our January event visiting the Penske Museum. They were having a special event, so got to hob nob with the not so sure famous. The Prescott brought down 10 people to join us. Lunch at Carlos O'Brien's was good for us anyway. I understand a few people got sick. Sorry about that.

The February event is coming together with a pot luck at Larry Fulsome's home before we visit the Dutton's Theater on February 8th.

March starts with Swap Meet on the 8th & 9th (Be sure to call Dean to get on the list to help with chalking the lot, setup and teardown.) Also in March, we are headed to Falcon Field to visit the Confederate Air Museum on the 22nd.

April will be our annual Pancake Breakfast and mini Swap Meet on April 12th. So be looking for items you might want to sell.

Hope to see you at one of these events. Diane

More Points to Ponder

- > I burn about 2000 calories every time I put on fitted sheets by myself.....
- > The biggest lie I tell myself is "I don't need to write it down".....
- > I've been watching my weight.....Yup, it's still there.....
- > I don't know how to use Tik Tok, but I can write in cursive, do long division, and tell time on clocks with hands.... so there's that.....
- > It's fine to eat a "test" grape in the produce section but you take one bite of a rotisserie chicken and it's all, "Sir You Need To Leave".....
- > Had a bad mixup at the store today...when the cashier said strip down facing me, apparently she was referring to my credit card.....
- > My generation never had babysitters...our parents said to just lock the door and don't open it for nobody....
- > My mind still thinks I'm 25.....my body thinks my mind is an idiot....
- > Do you ever feel like your body's "check engine" light has been on and you're still driving it like "nah it'll be fine"?.....
- > Exercise makes you look better naked..... So does wine ...your choice....
