Presidents Message

We had a good turnout for the Arizona Commemorative Air Force Museum Saturday. The weather was perfect. The displays and information available was outstanding. They have upgraded the facility. After the tour, Ben led us to Venezia's Pizza for a great lunch.

The VCCA National Board will be meeting us next Thursday at Mel Martin's Museum. After lunch, they will come to our house to see work in progress on cars. Friday is the Board Meeting.

Saturday, we will be hosting our annual Swap Meet and Pancake Breakfast at 8 AM. Hope you can make it. If you have a few items to sell, bring them. Diane.

CAR Tour to Commemorative Air Museum

On Saturday, 15 CAR members were joined by a few Model A Club members to tour the Commemorative Air Museum at Falcon Field in Mesa. This is a very large collection of war planes of yesteryear along with a lot of memorabilia and talks by museum docents, who were very knowledgeable and ready to answer any questions you might have. An added surprise was the local helicopter organization put on a display of their different sizes and styles of helicopters that was very interesting. You could even ride in one of the planes that they had out on the tarmac, as long as you had enough money.

Following this, we cruised over to a local pizza joint for some pizza and Chevy talk. A good day was had by all! Thanks to Ben Redfearn for setting up the tour!
