Presidents Message

The September event visiting the Brass Armadillo Antique Mall was very interesting. Everything is marked with price tags so you can see how much the items cost. You can see how much those “antiques” in your house are worth. Don was impressed with the number of chandeliers for sale very reasonable. I was shocked to see how much Pyrex dishes were. Anyway, sorry you missed it.

After, we went to Top Shelf for a very nice lunch and celebrated Keith and Mickie’s birthdays.

We are going to skip the idea of going to the Scottsdale Gateway car show because I didn’t feel like we could get enough cars out to make a good showing. Instead, we have decided to have an event at the Swap Meet on October 19th. So show up at 9:00 at the registration booth. We will have refreshments and some door prizes to give out. Looking for ideas for our November tour so let us know if you have any ideas.

If you are willing to help Dean out at the swap meet, be sure and give him a call. Diane

October Swap Meet

We are in need of some helpers to mark the parking lot on Friday, October 13th at 2:00 PM. We will not be chalking numbers this time— We will be doing something much easier—come see what is new. Afterwards, we will treat everyone to a tasty dinner at Manuel's Mexican Restaurant.

Saturday morning, we need helpers to set up the parking lot with trash cans, barricades, flags and pylons, starting around 7:00 AM. Burger King will be the lunch of choice for everyone helping on Saturday.

Sunday teardown helpers will be needed starting around 11:00 to bring in all the items put out on Saturday to be stored in the trailer.

Please give me a call if you can spare some time to help the club. Dean—928-710-4325

Also, the club swap space will be available again for members to bring a few items out to put in for sale. Don Peterson has offered to sit the space, but could use some help throughout the day to keep an eye on things. Space # is 163 - parts must have a price and your phone # on them.
