Presidents Message

We enjoyed the potluck lunch at Don Peterson's house . The weather was good, delicious food and great company! And oh the treasures at his place. Cars, tractors, tools and more.

So sad to hear of Board member Larry Fulsome's passing. He was a true car lover, long time CAR member and loved showing his 1957 Chevy. We will miss him.

The December Christmas banquet is fast approaching. And if you are into the "gift exchange", now is the time to get your gift ideas together. We are looking for ideas for tours for the upcoming year so if you have any ideas please pass them along to one of the board members.

Speaking of Board members, the current ones are Art Sell, Ben Redfearn, Don Adams, Keith Mitchell & Sandy Bruyn. Officers are: Diane Adams - Director, Dean Echols - Vice Director, Linda Behie - Secretary & Mickie Johnson - Treasurer. If you would be interested in any of these positions, please let us know. Diane

Last night, my wife asked if I'd seen the dog bowl. I said I didn't know he could.....

The Central AZ Region lost one of its long time members last week, when Larry Fulsome passed away. Larry was well known for his beautiful yellow and white 1957 Chevrolet 2 Dr hardtop, that he had owned since his teen age years. Not a weekend passed when he was seen at many local cruise ins and car shows. He was also a regular at the local Good Guys events and some out of state national events and shows.

Larry also had a keen knowledge of trivia, both music and events from the '50's and '60's. He won many trivia contests at the car shows with his knowledge of these items.

Larry also served as a board member for the Central AZ Region-VCCA, helping make club decisions to keep the club moving forward.

A true car lover and aficionado, Larry will be missed by us all.

November CAR Tour and Potluck

On Saturday, November 8th, CAR members descended upon Don Peterson's home in Cave Creek, AZ for a potluck lunch and tour of his home and shop. As usual, the food everyone brought was fantastic and we definitely feasted on everything until the chairs we were sitting in groaned under the weight as we then engaged in the usual Chevy talk.

Don then took us out to his shop building and proceeded to show us his two cars (a 1929 Chevy Roadster pickup and a 1929 Chevy Roadster), all of his parts and equipment and his collection of tractor wheels. Then, on the outside of the building was a collection of John Deere tractors, mostly '40's vintage and other pieces of farm equipment. Very cool to look over all of his stuff!

A good day for all! Thanks for having us, Don!
