Presidents Message

We made it through another successful year. We added a couple new members and unfortunately lost one of our long time members, Larry Fulsome.

The Christmas Luncheon was fun, but gotta say the stealing of presents wasn't as active as in years past. It was good food and a lot of friendly chatter going on.

So our January event will be what we used to have in January : The Directors Picnic. It will be at our house on January 10th. Be sure to RSVP for head count for food. Come with some ideas for events for this coming year and ideas you would like to share. Hope to see you on the 10th. Diane

Still More Points to Ponder

- > Remember as a kid when you fell on the trampoline, everyone would keep jumping so you couldn't get back up? That's basically life as an adult.....
- > Once you hit a certain age life just becomes a delicate balance between trying to stay awake and trying to fall asleep while slowly getting worse at both.....
- > I took my suit to the cleaners, who wanted to charge me \$15.00. So I gave my suit to the charity shop next door. They cleaned it and pressed it and put it in the window. I bought it for \$4.50.....
- > Did you know that 14 muscles are activated when opening a bottle of wine? Fitness is my passion....
- > A quiet man is a thinking man...A quiet woman is usually mad....
- > Why is everyone at the gym asking me why I am sitting still on a stationary bicycle?
I am going downhill, dude. Mind your own business.....
- > Today I am wearing pink to raise awareness....of people like me who forgot to separate their red laundry from their whites.....
- > Sometimes I shock myself with the smart stuff I say and do. Then, there are times I try to get out of the car with my seat belt on.....
- > The next time you dislike your life, remember it's all about perspective. I have a friend who reads 2-3 books a week, works out twice a day, has no financial worries, and has people who want to have sex with him all the time, And yet he constantly complains about how much he hates prison.....
- > It's another hot day, so I've taken all my clothes off and opened every window.... I feel so much better, although the other people on the bus don't seem so pleased.....
