## Presidents Message

What a great turnout we had for the Director's picnic at our house! I hope everyone had a good time. Looking at Donny Peterson's truck and Jacob Elmer's just completed Chevelle was interesting. Also some of Don's cars. He enjoyed showing how his new laser paint and grease removal machine works.

For February, we are taking a guided tour of the Don Sanderson Ford Museum on February 18th at 10:30. Lunch at the Starliner Diner to follow. There is a limited number of tour slots open, so RSVP to me ASAP. Hope to see you there. Diane

## Directors picnic

CAR had a great turnout for our Annual Director's Picnic last month at Don & Diane Adams home. Lot's of food with burgers and dogs prepared by the grill master Dean and sides and desserts to boot! A couple members brought out their Chevy's for display and Don Adams gave a demo of his laser rust and grease remover. A good time had by all!

## More Points to Ponder

- > Women only have two problems:
  - 1) Nothing to wear.
  - 2) No room for all their clothes.....
- > Fuel prices are so high that I went to the car dealership and test drove 3 cars to run my errands. Follow me for more money saving tips....
- > When I'm an old lady, I'm going to leave snacks in little bags on the floor all over the house in case I fall down....
- > I grew up in a house where "because I said so" was the end of the discussion...
- > I disagree with Kay Jewelers. I would bet on any given Friday or Saturday night, more kisses begin with Miller Light than Kay....
- > I love the sense of camaraderie when an entire line of cars teams up to prevent a jerk from cutting in at the front. Stay strong brothers & sisters!...
